Re: Permit Review Status, Chicken Creek Mine, M/023/055, Juab County, Utah

Dear Mr. Davis:

On January 9, 1998, the Division received your Notice of Intention to Commence Large Mining Operations for the Chicken Creek project. Due to a backlog of other permit reviews, the Division has not been able to complete a review of this plan within the usual 30-day timeframe. We apologize for the delay and any inconvenience this may cause you.

We hope to complete our review of your application within the next 45 days. We appreciate your patience and understanding in this regard. Please contact me if you have questions or concerns with this proposed review schedule.

Sincerely,

D. Wayne Hedberg
Permit Supervisor
Minerals Regulatory Program
